

Boutique Hotel
WASSERSLEBEN

Dear guests,

Welcome to the Boutique Hotel Wassersleben.

Due to the current Corona-health-regulations, the hotel outlets have to follow the 2G+-rule. Only vaccinated (14 days since the last vaccination) or recovered guests with a current test certificate are allowed to enter this area.

We therefore ask you to have your proof of vaccination, test certificate and identification at hand and to use the check in function the luca-app/Corona-warn-app.

- FULLY VACCINATED (from the 15th day after the second vaccination) and coalescent guests (at least 28 days – max 6 month after infection). Please have your valid vaccination certificate or proof of recovery as well as your identity card ready.
- TESTED GUESTS who present a negative test result on arrival (not older than 24 hours old rapid antigen test or not older then 48 hours PCR test).This test does not apply to people who have already received a third booster vaccination (booster vaccination, at least 14 days have passed).
- There are exceptions to 2G+ for people who cannot be vaccinated (a certificate starting the vaccination exemption must be presented) and people for whom there is no general vaccination recommendation. These groups have to present a negative test result (rapid test not older than 24 hours; PCR test not older than 48 hours).
- Children up to school enrollment do not need a vaccination or test certificate.
- Minors with a current test certificate (not older than 72 hours) or a test certificate from school (no student ID), which entitles them to parentally supervised self-tests including a negative self-test (not older than 72 hours).
- Business travelers who are in possession of a proper test certificate and confirm that the accommodation is only necessary for business, professional or official reasons or for medical or compelling socio-ethical reasons.
- Wearing a medical face mask is mandatory in all areas.
- When enterering the hotel, please sanitize your hands on the designated disinfectant dispensers.
- Our entire team has been fully informed and instructed about the special hygiene and protection measures, and additional disinfection intervals have been adjusted to comply with the official regulations

- In addition to that all guests are required to check in using luca-app/corona-warn-app. Alternatively, a handwritten form can be filled out instead. The reception will gladly provide you the form.
- You will be placed - no free choice of table.
- A minimum distance of 1.5 meters from other people is recommended.
- We also ask you to observe the so-called coughing etiquette. When coughing or sneezing turn away and use the crook of your arm or a disposable handkerchief, while maintaining at least 1.5 m distance to other people.
- Please pay cashless if possible
- Please note the country-specific regulations

RESERVATION AND ARRIVAL:

- When making a reservation, we need your full contact details.
- Contactless check-in in the hotel room, using our in room tablets.
- We have a disinfected ballpoint pen ready for you to sign the registration form.
- Please adhere to our arrival and departure times so that we have enough time for preparation and follow-up work.

DURING YOUR STAY:

- It is recommended for hotel guests to avoid the public sanitary facilities and to use the bathroom in the hotel room.
- We always pay attention to the careful cleaning of your rooms and public areas. In addition, we recommend our green option if you stay at least two nights.

The daily cleaning of the room will be skipped. You can cancel the daily cleaning using the tablet in your hotelroom.

- Our laundry is cleaned hygienically and safely by an external laundry service.
- Please do not stay in the room while cleaning is in progress.

We thank you in advance for your understanding and kindly ask you to follow the instructions and recommendations.

We wish you a pleasant and relaxing stay at the Boutique Hotel Wassersleben.
